## **COMPLETE YOUR PERFECT REST**

### **FIND YOUR HAPPY PLACE**

Could your pillow be coming between you and a good night's rest?

We hope not; but if it is we can help! Finding a pillow that provides you with the right support to rest your head and neck is just as important as the right mattress.

Sleeping on a pillow that is comfortable for you can bestow deep rest and help to alleviate neck pain, snoring and some forms of insomnia. Our extensive range of superior pillows have been hand-picked to offer the luxury of choice in pillow feel and profile. The choice is yours from latex, gel infused latex, Viscoool, memory foam, silk & mini pocket, soy and soy visco and micro-fibre – the perfect pillow for your support requirements awaits.

Naturally derived from the rubber tree, anti-microbial, dust mite and mildew resistant, our range of Pure Touch latex pillows conform to your shape for superior neck support and help reduce pressure for deep, sound sleep.
